Roads in RED are State or County highways, or do not access the main route.
You CANNOT operate ATV's on these roads. NEVER ride here!

Town roads marked in BLUE are access routes only! This means you may ride on these roads only to go to, and return from, the main route; the roads in green. That is the only reason you may be on these roads. DO NOT ride continually up and down these roads!

PLEASE
Do not joyride, race or play around on the town road routes! Go to the Rec. Area or Dyracuse Park!
